

**THE QUEENSLAND
INSTITUTE** EMPOWERING GLOBAL
EDUCATORS

Professional development for language teaching and learning

We're on a mission to empower global educators

As a leading provider of teacher development programs, we support international education strategies and English language education goals for schools and universities worldwide. Our programs are proven, impactful and efficient in helping global educators teach with confidence and creativity.

We provide:

- Courses that inspire innovation in teaching and learning
- Consultancy that supports your development goals
- Connections that continue beyond the classroom
